## *Student Interactive Notebook*

A well-organized notebook is an important part of success in Spanish class. This year we will keep an interactive notebook. It is important to keep all required notes, handouts, homework, journal entries as well as other assignments in your notebook in the correct order. Notebook quizzes will be given approximately twice each nine weeks to check for organization and assess the accuracy of daily work.

## *Remind*

This year I will be using Remind to remind parents and students about important dates and assignments. Remind is a safe communication tool used to text or email parents and students of upcoming projects, tests, and events. Teachers, parents, nor students phone numbers are made available. If you would like more information on the program, you can read the frequently asked question (FAQ) at [www.remind.com](http://www.remind.com).
