## 8<sup>th</sup> Grade Physical Science

stotser.leeanna.n@muscogee.k12.ga.us

I will be posting important information in Canvas. I have very detailed classroom procedures and a FYI section on my website:

[mrsstotser.weebly.com](http://mrsstotser.weebly.com)

We will not be using the textbook on a daily basis. Most at-home assignments will consist of:

- completing classroom assignments
- completing assignments on Canvas

remind101

Register to receive text messages and/or e-mail messages with reminders, homework assignments, and other class information.

When you sign up, remind101 will not share your phone number/email address so everything stays private!

All Remind101 notifications can also be viewed on the class website without enrolling in the service.

## Homework Policy

I expect you to complete unfinished classwork at home for homework.

When classwork is not finished, you fall behind the next day during class.

I rarely assign additional homework.

## Extra Help

If a student is having trouble they should speak with the teacher as soon as possible.

The teacher will work with the student to schedule time for extra help. Extra help is available before and after school but parent-teacher contact is necessary to ensure that transportation is available.

# 8<sup>th</sup> Grade Physical Science 2016-2017

I have read and understand  
the course guide.
