

How to Create a Canvas Account for Parents of Canvas Users

Here is the information for setting up access to Canvas for yourself. Access will allow you to see what is going on in your child's classes.

-Access the Canvas site at the following web address:

<https://mcsd.instructure.com/login/ldap>

-You should see this screen:

-Click on the gray tab indicated by the red arrow.

-You should now see the screen below. Fill out the necessary information.

Username: **10 digit GTID**

Password: **mcmddyy** (ex. mc071595 for a child born on 07/15/1995)
