LATE / INCOMPLETE WORK

* My expectation is that assignments be completed to a level of proficiency (**70% or higher**) and turned in on time. If Interactive Notebook or Writing assignments are turned in but proficiency is not demonstrated, the assignment will be returned to the student and the work must be completed / redone until **proficiency** is achieved. The assignment will not receive a grade until **proficiency** is earned.

* Printer and Internet issues are not an excuse for late work.

ABSENTEE POLICY

* **YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.**

* If you are absent, YOU are responsible for completing your make-up work. Check the digital Agenda (class website) / or Google Classroom to find any assignments missed.

* A student has two extra days to turn in any work assigned on a day a student was absent. If a quiz was administered on a day a student was absent, the quiz must be made up on the first day the student returns. If previously assigned work was due on the day of the absence, the work is due on the first day the student returns.

TECHNOLOGY

Chromebooks will be used daily in Language Arts. Many class assignments, essays, projects, and assessments will be assigned and/or completed digitally through the Google Classroom and online via our Language Arts curriculum, StudySync. Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from technology while in Language Arts.

PLAGIARISM

PLAGIARISM IS THE TAKING IDEAS AND WRITINGS OF ANOTHER AND PASSING THEM OFF AS ONE'S OWN.

In this class, plagiarism includes...

1. turning in another's **work** as one's own
2. **copying** work from a friend before class (or while in another class)
3. including a source but failing to **cite** it
4. copying an **author's exact words** and passing them off as one's own

Students caught plagiarizing will be given a **ZERO** for the assignment.

CHEATING

* The teacher will notify the administration and contact parents if cheating / plagiarism is suspected.

* The student will be given a zero for that particular test or assignment.

* The student will receive a minimum of three demerits.

HOMEWORK

Most work will be able to be completed in class if students use their time wisely. The only exceptions to this are writing assignments and the creative right sides of Interactive Notebooks.

If work is not completed in class during the time allotted, it will become homework so students can adhere to assigned deadlines.

ESSAY FORMATTING

All typed essays and assignments must be in **12 PT ARIAL FONT**, double-spaced, and have 1" margins.

The student's name, class period, and date should be in the top right corner, and the title of the assignment should be centered.
